January 23, 2009

Edible Assets LLC, a New York based boutique advisory and private equity firm announces a Strategic Alliance with Restaurant Management Recruiters LLC "RMR", Atlanta, Georgia, a national leader in restaurant management recruiting. Edible Assets alliance with RMR puts over 50 years hospitality experience to work for you.

Edible Assets LLC advises companies in expanding sustainable brands and concepts on a national level; its Strategic Alliance with Restaurant Management Recruiters "RMR" will now offer its clients a broader range of talent from General Managers, Director of Operation and Executive Chefs to Board of Directors.

Restaurant Management Recruiters, LLC (RMR) is a specialized career recruitment agency that was created specifically to advance the careers of qualified, restaurant industry professionals. founded by Steve Gibson and Ed Marentette.

Steve Gibson brings over 10 years of restaurant industry corporate recruiting experience directly to you. He has worked on the inside of both Olive Garden and Ted's Montana Grill, where his focus has been finding the right people for their concepts.

Ed Marentette brings over 20 years in restaurant recruiting to your search. He has helped hundreds of leaders to find the right role in the right company to allow them to succeed. Ed previously worked in operations and then recruiting for Boston Market, identifying strong leaders as the concept went through tremendous growth.
